Online Lunch System.....

SLA understands that an online lunch system brings ease and convenience.

SLA will be introducing their online lunch payment system. Parents will be able to deposit funds into their students lunch account by going to the new payment website: www.slalunch.com

Deposits to students accounts can be made using credit or debit cards, or personal checks (ACH). A convenience fee of \$1 will be applied to each transaction. Parents can monitor their students lunch activity, and maintain their accounts 24 hours a day.

Online instructions will be available on your schools website, in the school office, and at orientation, where SLA Management will be available to offer any further assistance needed.

Courtesy emails will be sent weekly to all accounts with a balance of \$25 and under. Parents may monitor their students accounts 24 hours a day, 7 days a week, by logging into their account.

Lunch Prices:

K - 8th - \$3.00

Welcome!

2014-2015

Brighten Academy

We are excited to be providing the lunch program to your school community. SLA is dedicated to giving students the best 30 minutes of their day; offering healthy, delicious meal options, served in a friendly, positive dining environment. We look forward to another great school lunch year!

OUR FOOD

School lunch continues to evolve and is a very important part of a young person's day. SLA continues to advance quality, healthy, balanced and diverse meal options.

We have made significant changes to the SLA Lunch Program this year, which includes, ingredients, meal choices and menu format.

We are substantially reducing the use of processed products in our meals while focusing more on nutrition and balance. We are placing greater emphasis on a balance of home cooked meals options, while still providing traditional favorites.

Students' will have the ability to select their entrees and side selections, which includes a fresh fruit or vegetable.

We also look forward to sourcing local ingredients whenever possible.

Our menu will provide greater detail on the complete menu options. You may find a copy of our menu on your schools website or in the main office.

COMMUNICATION

At SLA, we feel communication is key. Keep an eye out for our monthly newsletter. This is a great way to gain insight into the school lunch world.
